- API Development

### EDUCATION

B.Tech: Computer Science Engineering

Expected in 05/2027

- Centurion University of Technology And Management - Odisha

Intermediate 12<sup>th</sup> (BSEB Board)

21/03/2023 Matriculation 10<sup>th</sup> (BSEB Board)

03/08/2021

### CERTIFICATIONS

- Microsoft Prompt Engineering
- Oracle Cloud Infrastructure 2025 Certified Foundations
- Google Generative AI
- Google Gemini

### PROJECTS

#### Project: University Portal (LMS)

- Developed a University Portal LMS using the MERN stack with role-based login (Admin, Teacher, Student), featuring dedicated dashboards for each role to manage courses, assignments, and communication efficiently.

#### Project : Chatbot

- Developed an AI-powered Chatbot using the MERN stack and NLP techniques to provide real-time automated responses, assist users with queries, and enhance user engagement through an interactive and responsive interface.

#### Project : WeatherApp

- Developed a Weather App using the MERN stack and OpenWeather API to display real-time weather updates, forecasts, and location-based data through a clean, responsive user interface.

### LANGUAGE

- **Hindi** – Native
- **English** – Intermediate (B1)/B1
